Jokia Construction

To Whom It May Concern:

I am writing this recommendation letter on behalf of Jokia Construction. I have had the pleasure of knowing some of the Jokia Construction family for approximately three years through attending church. They have asked that I write a recommendation letter for them.

In October 2014 I purchased a new home. I inquired with Jokia Construction as well as other businesses to compare estimates. This was my husband and I first time purchasing a home and we were very excited although we were aware the house needed a lot of repairs. Before we could move into the home the repairs needed to be done in a short period of time. My family was also going on vacation at that time and whoever I chose had to have the keys to my newly purchased home and I had to trust them.

We needed to replace windows, furnace, completely redo a bathroom, completely redo all floors in the basement, install a dishwasher as well as a list of other repairs and remodeled rooms.

To my surprise Jokia Construction AMAZED ME. Our home was absolutely beautiful when we returned from vacation for a week. The business I chose and trusted (Jokia Construction) had the keys to my family new home but completed everything we needed done in order for my family to move in after returning from vacation. We passed all inspections and were very HAPPY.

It is an honor to write this recommendation for Jokia Construction because they gave me the best estimate and did everything they stated they would complete in a timely manner. Even after we returned home our family continues to use Jokia Construction because they are efficient, trust worthy, and they keep their word, and the work comes out beautiful.

I have enclosed within this email some before and after photos of the beautiful work they did. With Jokia Construction strong professional business background it is a pleasure to recommend them to everyone to use. If further information is needed, please do not hesitate to contact Misty Green @ 773-398-1488 or email me at mistygreenmcneil@gmail.com.

Sincerely,

Misty Green
A Happy Customer☺
