

Reference Letter for Jokia Construction

My name is Hiram Kirkendall and I am writing this letter on behalf of Jokia Construction. I have been using the services of Jokia and Danny Underwood for more than 12 years. Jokia has resurfaced my hardwood floors, remodeled my bathroom and kitchen. Danny and his team refinished my basement after it was flooded. They have also performed emergency services such as pumping water from basement and fixing a busted pipe last winter. For over a decade I have been able to depend on them for a large array of services which was completed in a timely manner. The service was very high quality and the staff was professional.

I would recommend the services of Jokia because I have been very happy with them over the years. Danny has always been honest in his estimates and his work has greatly increased the value of my home. If there are any further questions please contact Hiram Kirkendall at 630-697-8882.
